MINI by Easywalker buggy 'Best in Test 2017'
The MINI by Easywalker buggy lives up to its great reputation

The MINI by Easywalker buggy was again awarded 'Best in Test' in buggy category by 'Consumentenbond' - Dutch based European Consumers Association. This is the second year in a row that Consumentenbond judged the MINI by Easywalker buggy on top.

To get the 'Best in Test' label, buggies must score above average on many key points in comparative tests and analyses of Consumentenbond. Important criteria are : driving, ease of use and ergonomics. Compact, comfortable and easy to maneuver were also the features which were attributed to the MINI by Easywalker buggy by Consumentenbond.

Developed in collaboration with MINI from BMW Group Germany, this fashionable buggy is sure to turn many heads. With a fully reclinable seat, easy umbrella fold system and ability to carry on shoulder, the MINI by Easywalker buggy is the perfect travel companion with the highest overall-score. The award badge file is available on our brand portal and can be proudly displayed in print or online.

About Easywalker

Easywalker was founded in Amsterdam in 1989 by a butcher, who developed Europe's first three-wheeled stroller with his own hands. The Easywalker Classic has since become an award-winning stroller that has transformed how parents and children experience mobility together. Today, Easywalker is a global brand with a full range of strollers, buggies, and accessories available in 50 countries worldwide. In addition to its signature Harvey, Mosey, Mosey+ and Buggy lines, Easywalker produces the MINI by Easywalker buggy collection as an exclusive license partner of BMW. It has launched its Disney by Easywalker buggy collection as a proud license partner of Disney.
